

## Membership Application Form

### *Introduction*

The Fraser Information Society (FIS) is dedicated to community education on environment and development. Long-term projects include operation of the Port Haney Resource Centre, a heritage building, and community and educational gardens. FIS also provides administrative support to the Campaign for Pesticide Reduction! Maple Ridge.

### *Membership Types*

Two classes of membership are available. **Associate Membership**, a non-voting membership, is free and entitles members to receive communications and participate in most activities. **Voting Membership** is \$15 per year and, in addition to voting privileges, entitles members to a plot in one of our community gardens (subject to availability on a first-come, first-served basis).

Associate       Voting       (Paid )
