

Community
Education on
Environment & Development

Membership Application Form

Introduction

The CEED Centre Society (formerly the Fraser Information Society) is dedicated to community education on environment and development. Long-term projects include operation of the heritage CEED Centre, community gardens and educational projects. It also operates a free Internet access site in cooperation with Industry Canada. Our website (www.ceedcentre.org) features current and past projects and activities.

Membership

Voting Membership is \$15 per year and entitles members to receive communications and participate in activities. In addition, members are entitled a plot in one of our community gardens, subject to availability on a first-come, first-served basis.

\$15 Membership (Paid)
